THE SINGULARITY OGN TP

How much loss can one soul endure?

Blue Eyes can't stop being reborn. He tumbles from life to life, from one unthinkably strange universe to the next—the only constant that, one way or another, everything that he learns to love is lost. But when Blue Eyes finally catches up to a mysterious figure he's seen recurring throughout his lives, he realizes he might just have a chance to escape his cursed immortality—or, at very least, exact revenge for it.

Inspired by, and a companion to, Emmy and BAFTA Award-winning composer **BEAR McCREARY**'s first-ever original concept album of the same name, **THE SINGULARITY** sees a cavalcade of comics' greatest artists join with writer **MAT GROOM** (**INFERNO GIRL RED**) to tell a sweeping, cosmic story about the lessons that loss can teach us.
